Research Centers

UMBC is a major center for cutting-edge research in the Baltimore-Washington corridor. The campus is home to more than 20 research centers and institutes that sponsor research, teaching and service, as well as a number of offices that provide specialized research support to students and faculty.

CAMPUS FACILITIES AND PROGRAMS

bwtech@umbc: Research and Technology Park

Located on 41 acres adjacent to UMBC's main campus, bwtech@UMBC provides a continuum of research and development space to meet the needs of businesses, from start-up and growth companies to mature research and development organizations. The park is headquarters of the RWD Applied Technology Laboratory.

The Commons

A \$35-million, 148,000-square-foot facility, The Commons is the new center of student life on campus.

Residential Life

In the past four years, UMBC has added two residence halls housing 1,145 students.

Retriever Activities Center

The RAC features newly renovated varsity locker rooms for men and women's basketball and swimming and diving teams, along with a new state-of-the-art Media Center, Sports Medicine training room and Athletic Academic Center. The Tennis Complex has been refurbished and lights have been added for all six courts, while UMBC Stadium now features the same artificial surface that is used at M&T Bank (Baltimore Ravens) Stadium.

bwtech@umbc: Incubator and Accelerator

A magnet for high-technology business development, the incubator program offers a dynamic, fully-equipped facility for start-up and emerging companies.

Arts and Cultural Events

UMBC is home to two art galleries (the Center for Art and Visual Culture and the Albin O. Kuhn Library Gallery) and two professional dance companies (the Phoenix Dance Company and Doug Hamby Dance). Guest artists and faculty are presented in dozens of music, theatre and dance performances each year. The Humanities Forum lecture series brings eminent scholars to UMBC throughout the year.
