RE: UMBC Math/Psych Roof Replacement (Project # 09-124)
    BID # BC-20615-Q - ADDENDUM # 5

The following amends the above referenced Bid documents. Receipt of this addendum must be acknowledged by completing the enclosed "Acknowledgement of Receipt of Addenda" Form and submitting it along with the Technical Offer you return to the University.

The due date and time for the Technical Offer and Bid Price to be submitted to the University remains as THURSDAY, MAY 14, 2009 by 2:00 p.m. to the issuing office.

A. The following question has been submitted to the University for a response:

   1. QUESTION: The drawings reference a detail #8 on sheet A504, there is no detail #8 on sheet A504, there are two different detail 5s on A504. Can you clarify as this will impact the alternate pricing?

   ANSWER: The detail reference on the roof plan, detail #8 sheet A504, is to indicate the location of the end dam for the through wall flashing. The correct detail for this referenced location is 6/A505 indicating an end dam for the through wall flashing. Details 5/A504 reference the new through wall scupper and the north penthouse parapet wall reconstruction, respectively.

B. CLARIFICATIONS:

The Base Bid requires the specified manufacturers to provide a 30-year NDL warranty. The contractor shall provide the 30-year NDL warranty and install the roof system in accordance with the manufacturer’s installation requirements for the 30-year warranty. All costs associated with the manufacturer’s 30-year warranty, including mechanical securement as required, shall be included in the Base Bid.
