The purpose of this ADDENDUM NO. 2 dated November 8, 2010, is to provide a revised Price Proposal that is to be submitted under this procurement. All other specifications, terms and conditions of this solicitation not expressly amended by the responses in this ADDENDUM remain as originally stated. The due date for the Technical and Price Proposals remains Tuesday, 11/9/10, on or before 4:00 p.m. to UMBC’s Procurement Office, Room 301, UMBC Administration Building.

1. ATTACHMENT B: PRICE PROPOSAL FORM - Delete the original price proposal form and replace it with the attached REVISED PRICE PROPOSAL FORM.

   The revised price proposal form has deleted the request for quoted hourly billing rates for the Field Superintendent. So the only positions for which hourly rates are to be quoted are Project Manager and Laborer.

   Under the contracts awarded, the costs associated with the Field Superintendent position will be included in the lump sum quotes for trade work being performed by their own forces by the awarded firms.

2. The attached Acknowledgement of Receipt of Addendum Form is to be completed, signed and included with the Technical Proposal.
