TO: All Prospective Proposers

FROM: Sharon Quinn

RE: UMBC’s BW Technology Center – Fire Alarm system Renovation– BC-20612-Q ADDENDUM # 4

The following amends the above referenced RFP documents. Receipt of this addendum must be acknowledged by completing the enclosed "Acknowledgement of Receipt of Addenda" form and submitting it along with the Technical Proposal you return to the University.

The due date and time for the Technical Proposals to be submitted to the University remains as to MONDAY, MAY 18, 2009 by 4:00 to the issuing office.

A. The following question has been submitted to the University for a response:

1. QUESTION: Based on specification section 283111, section 1.7 B.3, 4 and 7, are we to interpret this to mean that electrical contractors are precluded from bidding on this project, as a prime contractor, unless they are a manufacturer’s authorized distributor of the fire alarm system selected? Is this your intent?

   ANSWER: It is not our intent to preclude electrical contractors from bidding on this project as a prime contractor. We believe we can clarify this issue by AMENDING Section 283111, Section 1.7 B. 3 and 4 as follows: “The installing contractor *or subcontractors* shall be an approved distributor of fire alarm and detection systems selected for furnish and install services. We would also define Installing Contractors as all prime and subcontractors provided they meet the qualifications in the specifications.”

Enclosure:Acknowledgement of Receipt of Addenda Form

Cc: Procurement File

END OF ADDENDUM # 4 DATED 05/13/09

This addendum was posted on the University’s eBid Board and eMaryland Market on 05/13/09.
(Original with enclosure was not mailed)
