RE: UMBC Chiller Maintenance Contract – BC-20785-Q ADDENDUM # 3

The following amends the above referenced RFP documents. Receipt of this addendum must be acknowledged by completing the enclosed "Acknowledgement of Receipt of Addenda" Form and submitting it along with the Technical Proposal you return to the University.

The due date and time for the Technical & Price Proposals to be submitted to the University remains as WEDNESDAY, APRIL 11, 2012 by 2:00 p.m. to the issuing office.

A. The following questions have been submitted to the University for a response:

1. QUESTION: In Section 00800 Amendments to UMB Standard General Conditions for Construction Dated 3/1/04, #9.05 - MINORITY BUSINESS ENTERPRISE UTILIZATION, A: The MBE requirement for this project is twenty five percent (25%). Refer to schedule MBE Attached to this Section 00800 for further information regarding the MBE requirements. Additionally, Appendix A, Technical Proposal Forms include MBE Utilization & Fair Solicitation Affidavit Forms.

   If there is no "requirement" to provide MBE contracting as part of this package then why are the forms present and why is the #9.05 - MINORITY BUSINESS ENTERPRISE UTILIZATION, A: clause present in the Section 00800?

   ANSWER: The RFP document supersedes the Appendixes and Section 00800 is attached as Appendix E. there is no MBR requirement, but MBE's are encouraged to respond. The "MBE Utilization & Fair Solicitation Affidavit Forms" contained in Appendix A, are to be returned with your Technical Proposal to the University. If there is no MBE participation you would enter a zero.
2. **QUESTION:** Are the above hours listed in Addendum # 2 for the Central Plant and the Satellite Plant "Since the last Compressor Overhaul" or are they total compressor hours since installation?

**ANSWER:** This is not available.

**Enclosure:** Acknowledgement of Receipt of Addenda Form

**Cc:** Procurement File
