

### Adobe Acrobat® X is here!

Come see how you can work with a wider variety of documents, resources, and rich media. Get more work done faster with new features such as a simplified interface, guided actions, improved OCR, scanning, and collaboration options, integration with Acrobat.com, and the next generation of PDF Portfolio tools. Now faculty, students, and staff can save time and improve the quality, security, and delivery of their content to anyone from virtually anywhere.

Learn more by attending this workshop, presented by Steve Adler, Adobe Solutions Engineer.
