

## FINANCIAL LIABILITY FORM

---

School Name: \_\_\_\_\_

I understand that by submitting these registration materials that my institution is responsible for all Registration Fees for each delegate. If our delegation is unable to attend, we realize that we will still be financially liable. According to Section II.F.5 of the CAACURH Policy Book: "Variable costs in each delegate fee will be refunded if a conference does not have a deficit. Fixed costs will not be refunded at any time. This is for delegates who do not attend the conference, and would like a refund of the money they paid to attend."
