

RELEASE FORMS

Conference Alcohol and Drug Policy:

Alcohol and illicit drugs are nationally recognized as substances, which may have a negative effect on the lives of college students. As a leadership organization, which works largely with college students under the legal drinking age, it is recognized that alcohol is not needed for a good time or to promote positive growth. Illicit drugs can be lethal. Therefore, all events will be designated "alcohol and drug free". The method of enforcement will be at the discretion of the Conference Staff, in consultation with the Regional Advisor, the Regional Director, the Regional Conference Chairperson, and the Conference Advisor from CAACURH.

I, _____, have read and understand the above CAACURH Policy concerning the use of alcohol and other illicit drugs and/or substances and agree to adhere to these policies during my participation at the CAACURH 2006 @ "The Cougar Diner". I am aware that failure to adhere to these policies can result in my removal from the Conference Site and disciplinary action by my college or university and/or University of Maryland, Baltimore County. I further understand that my removal from the conference will result in a loss of all conference privileges and that my delegate/registration fees will be forfeited entirely.
