Cybersecurity - a professionally-focused, relevant and practical graduate degree

» Courses are designed to prepare technical professionals and others in the ‘cyber’ fields to fill management and leadership roles in cybersecurity, cyber operations, and/or related organizations in the government or private sector.
» Students gain applicable skills that speak to the needs of the operational cybersecurity workforce in Maryland.
» Cybersecurity is a critical domain of global competition that reaches across social, economic, political and military realms of influence.

When you choose UMBC Professional Programs, you can count on:

» Classes taught by cybersecurity industry experts with significant current professional experience.
» Flexible evening, hybrid, and/or weekend class schedule that accommodates working professionals.
» Wide-ranging resources offered at a top-notch public research university.

Why UMBC?

» UMBC is uniquely positioned to provide education and training that respond to the state’s need for qualified technical professionals in the cybersecurity field.
» The 2017 U.S. News & World Report Best Colleges guide ranks UMBC in the top five on its closely-watched Most Innovative Schools list and has recognized UMBC as a global leader in higher education.
» UMBC is certified as a National Center of Academic Excellence in Information Assurance/Cyber Defense Education (CAE-IA/CD) as well as a Center of Academic Excellence in Information Assurance/Cyber Defense Research (CAE-R) sponsored by the National Security Agency and Department of Homeland Security (DHS).
» UMBC provides a comprehensive and quality education at a manageable cost.
Admission Requirements

M.P.S.:

» A bachelor’s degree in Computer Science, Information Systems, or a related field is preferred
» Minimum undergraduate GPA of 3.0 on a 4.0 scale
» GRE scores are not required for applicants with a degree from an accredited U.S. institution
» Current professional experience in information technology or cybersecurity

Graduate Certificates:

» A bachelor’s degree in any discipline
» Minimum undergraduate GPA of 3.0 on a 4.0 scale
» GRE scores are not required for applicants with a degree from an accredited U.S. institution
» Basic understanding of the internet, networked information systems and information security

Office of Professional Programs

UMBC’s Office of Professional Programs offers a broad array of professionally focused master’s degree and certificate programs that address industry needs while anticipating future opportunities. umbc.edu/professionalprograms

Master’s Program

Master’s of Professional Studies (M.P.S.): Cybersecurity
30 Credits (10 courses)

Required Courses

18 Credits

CYBR 620: Introduction to Cybersecurity
CYBR 623: Cybersecurity Law & Policy
CYBR 624: Cybersecurity Project
CYBR 650: Managing Cyber Operations
CYBR 652: Enterprise Security
CYBR 658: Risk Analysis and Compliance

Elective Courses (Select 4)

12 Credits

CYBR 621: Cyber Warfare
CYBR 622: Global Cyber Capabilities and Trends
CYBR 644: Cyber Practitioner Development Lab
CYBR 691: Special Topics in Cybersecurity
CMPE 685: Principles of Communications Networks
CMSC 644: Information Assurance
CMSC 652: Cryptography and Data Security
CMSC 687: Introduction to Network Security
CMSC 691: Special Topics in Computer Science

Other relevant graduate course(s) approved by the Cybersecurity Graduate Program Director.

Certificate Programs

Post-Baccalaureate Certificate: Cybersecurity Strategy & Policy

Required Courses

(12 Credits)

CYBR 620: Introduction to Cybersecurity
CYBR 622: Global Cyber Capabilities and Trends
CYBR 621: Cyber Warfare
CYBR 623: Cybersecurity Law & Policy

Post-Baccalaureate Certificate: Cybersecurity Operations

Required Courses (12 Credits)

CYBR 620: Introduction to Cybersecurity
CYBR 650: Managing Cybersecurity Operations
CYBR 658: Risk Analysis and Compliance

One Additional Cybersecurity Elective

All credits earned in this graduate certificate may be applied to the Master of Professional Studies (M.P.S.): Cybersecurity

This academic program is a participant in the U.S. Department of Education Gainful Employment program. For more information, http://ged.financialaid.umbc.edu/cyber/Gedt.html
