Note: A few upper level courses are not offered every year. If necessary, these courses may be taken through intercampus registration at UB or other University of Maryland System 4-year schools or may be taken at any other 4 year college and transferred to UMBC.

Note: This curriculum is designed to meet the entry requirements into the University of Baltimore’s Merrick School of Business for a Masters in Taxation or Accounting and Business Advisory Services. It is also designed to meet the specific course requirements (at this time) to sit for the CPA exam in Maryland. In addition to a bachelor’s degree and these courses, there is also a requirement of 150 credit hours to sit for the exam in Maryland.
