Verification of Academic Standing

The Department of Education’s Office of Field Experiences and Clinical Practice require students entering the field experience portion of the certification process to have an academic advisor provide verification of the following:

1. Major Grade Point Average
2. Prospective date of graduation (The student is able to fulfill the academic requirements of the major in a timely manner and is on track to graduate from the program in May of the following year.)

Please review the transcript of the student and provide the requested information below.

Student Name:
Academic Major:
Current Major G.P.A.:
Prospective Month and Year of graduate:

*The student is academically on track to graduate in May of the following year.*

☐ Yes
☐ No
