PRAXIS I _____

PRAXIS II _____

A composite score of 527 on PRAXIS I or qualified SAT or ACT score is required for admission. PRAXIS II must be passed for program completion and certification. Students may be admitted provisionally without passing PRAXIS I but are required to successfully complete PRAXIS I by the end of the first semester of study in the program.

Notes:

Students in the teacher certification program should see their academic major advisor and their education advisor every semester. The education advisor is responsible for the requirements of the teacher certification program only. All major and University requirements should be confirmed with your academic major advisor.

There are also two-language options available. The ability to teach two languages is highly valued by prospective employers. If interested, see the details of completing a two-language major in the Undergraduate French in the Business World Catalog.
