UMBC Department of Education
Early Childhood Education Personnel Preparation Program
Procedures to be followed by Undergraduate Applicants

1) **DEPARTMENTAL REQUIREMENTS:** All undergraduate education students are required to have an overall 2.75 GPA in order to enter and must attain at least a 3.0 GPA overall and a ‘B’ or better in all education courses to remain in the program.

2) **INTERVIEW SESSION:** Prior to acceptance into the program, all applicants must be interviewed by an Early Childhood faculty member (or designee) who will explain all aspects of the program and answer questions. The interview will proceed more efficiently if you bring an unofficial copy of your transcript(s) and any other pertinent materials.

3) **PRAXIS I TEST:** As you are applying, arrange to take the PRAXIS I test required of all Maryland teacher candidates. You must attain a composite score of 527 or above to be fully admitted to the Early Childhood Program. See the Educational Testing Services (ETS) website: [www.ets.org/praxis](http://www.ets.org/praxis). Booklets are available in the Education Department. You may substitute a SAT score of 1100 combined language and mathematics.

4) **DEPARTMENTAL ASSESSMENT PROGRAM:** The Department of Education assessment system is the Education Accountability System (EAS). It is implemented through a software program called Tk20 which requires each candidate to have an account with Tk20. This costs $103. Set up your account at [https://umbc.tk20.com](http://https://umbc.tk20.com).

5) **TUBERCULOSIS TEST:** You must have a yearly test to determine that you are free of tuberculosis in order to work with children in a classroom setting. This test can be administered at Student Health Services, a county health department, or your own physician’s office. If you have had a recent TB test, you can provide us with a copy of the results.

6) **ACCEPTANCE:** Acceptance into the program will be based on the results of the interview as well as the receipt of the following materials: 1) a completed application (form attached), 2) an unofficial transcript, and 3) a letter of recommendation written by someone who has knowledge of your experiences with young children.

7) **NOTIFICATION OF ADMISSION TO THE EARLY CHILDHOOD PROGRAM:** A letter of acceptance will be sent after all requirements have been submitted.
