

## Summer 2011 – Registration Requirements and Options for Graduate Students: FICA-Exemption and Financial Aid Eligibility Requirements

**All Graduate Assistants must register** for GRAD 603 (class number 1917), which carries two (2) credits at no cost.

**Graduate Assistants with F-1, J-1, M-1, or Q-1** immigration statuses are already FICA-exempt and are ineligible to receive financial aid. International graduate students may disregard the remainder of this document.

**To retain FICA-exemption** during Summer 2011, domestic Graduate Assistants (GAs) must be registered for at least three (3) credits at all times. In addition to GRAD 603, students must also register for the appropriate research course. Additionally, Ph.D. students who have reached candidacy are allowed to register for either 898 or 899 during Summer 2011. The following table summarizes the registration options and their associated costs<sup>1</sup> to remain exempt from FICA.
