

Current Academic Policies:

(Familiarize yourself!)

Drop Deadline without a W: Starting in the fall 2010 semester, the last day to drop a course without receiving a W on your transcript will be the same date as the last day to add a course. The last day to add a course to your schedule is at the end of the 2nd week of classes. In the fall, this will also be the last day to drop a course without a W.

Repeating Courses: Students are limited to the number of times they may repeat a course to **two (2)**. **Receiving a W in a course is counted as one unsuccessful attempt.**

If a student needs to repeat a course for a third time because it is required by the major, they must **petition** to do so. If you repeat a course for a third time **off campus** without petitioning first, **it will not be accepted at UMBC.**

All courses required by the HAPP major must be successfully completed with a C or better grade. Students who are not able to complete any required course in two attempts may seriously want to consider another major.
