

**INTERDISCIPLINARY STUDIES PROGRAM
REQUEST FOR DEGREE PLAN CHANGE**

***NOTE: Course changes should be approved before the alternate course begins.**

Name: _____ Date: _____

Address: _____

Telephone: () _____ Email: _____

INDS Degree Plan title:

Change in INDS Degree title? If yes, new title:

A. Request to remove the following course from my proposal:

Course #	Course Title (please check course catalog for accurate title)

B. Request to add the following course to my proposal:

Course #	Course Title

RATIONALE: Please explain:

1. Why you are requesting to remove the course in section A.
2. How the new course in section B meets the appropriate learning objective in your degree plan or capstone. Substitutions must be at the same course level (300, 400 etc.) or higher.

***NOTE requirements for substituting INDS 430 on page 2.**

NOTE: INDS 430

Students desiring to substitute another course for **INDS 430** will agree to write a paper and submit it before the semester's end. The paper should:

- a) State a rationale for not taking the INDS 430 courses offered
- b) Indicate how the course substituted was interdisciplinary in nature.
- c) Include a course syllabus
- d) Give 2 - 3 examples from the course to illustrate interdisciplinary/integrative concepts from Repko, Miller & Boix-Mansilla, or Newell.
