

# ISD Career Services

---

Career development is a free service provided by UMBC to help successfully connect your education to future careers in ISD.

## Take advantage of individualized ISD Career Services at UMBC

- Personal career counseling sessions
- Information on current trends related to jobs in the ISD field
- Opportunities to connect previous experience with new education
- Resume reviews and edits
- Job search strategies and guidance
- Job interview and salary negotiation preparation
- Confidence in career transitions

## Career Counselor Sarah Gardenghi

Sarah brings ten years of experience presenting professional training seminars on career development and communication skills. She counsels individuals who are career changing, displaced, re-entering or advancing in their current field. Sarah delivers seminars and provides online career

content specifically for ISD students covering resume/portfolio writing, job searching, Internet use and interviewing strategies.

She currently works for UMBC Continuing and Professional Studies advising and counseling students, and meets regularly with ISD students for personal career counseling. She earned her undergraduate degree in Psychology and Communication from Concordia College, and her Master's degree in Communications from Colorado State University.

## Get Started!

---

Current students in the ISD–Training Systems graduate program and program alumni (Master's or certificate) are welcome to make an appointment. Sarah Gardenghi can provide services in-person, over the phone or via email.\*
