Please describe the projects, duties and responsibilities that will be assigned to the intern. The position should include both major-related and entrepreneurial-related objectives/duties. Also include examples of the opportunities the intern will have to interact with individuals outside of your immediate office. These tasks should merit their talents and achievements and foster an interest in entrepreneurship.

Intern projects/duties include:

Because a portion of the grant funding is appropriated for the program through the Alex. Brown Center for Entrepreneurship, each organization is asked to contribute \$1,200 toward the stipend of each intern requested (approximately \$6.67 hour). Interns will be required to work a total of 180 hours during the course of the semester.

Will your organization commit to the contribution? ____ Yes ____ No
