

LLC 892 Independent Study Application

Language, Literacy, and Culture Ph.D. Program
University of Maryland, Baltimore County

Independent study courses are independent of the regular offerings, but they are supervised by faculty members. Students may register for 1-3 credits depending on the scope of the study. The number of credits a student signs up for must be reflected in the work load envisaged in a written proposal for the courses in question.

To register for Independent Study, obtain and complete the form below and attach it to a 1-page written proposal which includes a brief statement of the project to be carried out, a bibliography of reference works to be consulted, a statement of the expected outcomes which will be the basis of the evaluation for credit, and a schedule of regular meetings during the semester with the supervising faculty member(s) for guidance and progress reports.

Please complete the following form and attach it to your proposal. Make 3 copies:

- 1 for the student
- 1 for the supervising faculty member
- 1 for the student's file in the LLC office.
