

INTRODUCTION TO THE LEARNING RESOURCES TUTORIAL CENTER

The courses listed below are those for which LRC will attempt to provide assistance. All LRC services are free to UMBC undergraduates.

Our success depends upon our ability to recruit a willing and qualified tutor, as well as on your availability to appear for tutoring.

Historically, we have been successful in more than 95% of our attempts to schedule students for tutoring.

Please assist us by filling out the Tutoring Enrollment Form either in person or on the website accurately and completely and by leaving a maximum number of potential times for scheduling an appointment.

You are expected to keep your tutoring appointment every week. Should you be unable to keep a given appointment, please call us at 410-455-2444.

You will be dropped from the tutoring rolls after two successive absences. Those using walk-in labs have no attendance obligation.
