

15th Annual McNair Scholars Research Conference at UMBC

## Transforming Knowledge in a Diverse World September 21-22, 2007

Join us for the 15th Annual McNair Scholars Research Conference at the University of Maryland Baltimore County on Friday, September 21st and Saturday, September 22nd, 2007 on the campus of UMBC. Scholars from across the country will give oral and poster presentations highlighting their research as McNair Scholars. Students from all disciplines are invited to present.

### **Benefits:**

- Get feedback on your research from faculty, staff, and peers
  - Hear and network with important guests and speakers
  - Take advantage of the cultural opportunities in the Baltimore/Washington area
    - Meet graduate school representatives from UMBC
    - Meet and mingle with colleagues
  - Evaluate your (or your student's) progress in a national academic setting
- Keynote Speaker: Dr. James E.K. Hildreth, Comprehensive Center for Health Disparities Research in HIV at Meharry Medical College**

### **Conference Location**

UMBC is located in the suburban setting of Baltimore County, Maryland, just 5 miles outside of Baltimore City and just 3 miles from Baltimore/Washington International airport. Conference presentations will take place in newly designed state-of-the-art classroom facilities. The campus features ample parking.
