

## Most Mentioned Faculty – Fall 2008 Blackboard Survey

The faculty included in this list, were most often mentioned as outstanding users of Blackboard by graduate/undergraduate students responding to the Fall 2008 Blackboard Users Survey.

<b>Instructor</b>	<b>Department</b>	<b>Mentions</b>	<b>Comment</b>
Dr. Tara Carpenter	Chemistry	44	She always posts announcements in a timely fashion and keeps everything up-to-date. She puts the necessary documents in their respective places, which makes them easy to find.
Dr. Phil Sokolove	Biology	15	He always posts announcements and study questions and even contributed frequently on the discussion board. It's nice to get your professors input and ideas even outside of class.
Dr. Lili Cui	Physics	10	Good communication and she forces us to use the discussion board by offering an incentive.
Dr. Chuck Hodell	Education	7	He was outstanding in using Blackboard. He fully used all functions relating to our course: making homepages, collecting and analyzing data.
Dr. Nicole Cousin-Gossett	Sociology	5	She always gets the grades posted and course material pertinent to the class is readily available to use. When I ask about something either she or her

			TA email me back.
Dr. Karen Freiberg	Psychology	5	Quizzes for her class, included in the student labs tab, are extremely helpful for learning the material.
Dr. Greg Williams	Education	5	He goes beyond the usual textual presentation of information and experiments with audio and visual materials that reinforce learning and reach students with different learning styles.
Jeanette Campos	Education	4	She is very successful in keeping submitted documents organized. She makes regular, good use of announcements and the Wimba live classroom. It all comes really close to being in a classroom - any time of the day or night.
Dr. Kip Canfield	Information Systems	4	He is using it in a truly interactive way. Always online, updating and interactive with students.
Dr. Adia Garrett	Psychology	4	She uses blackboard well by posting announcements, all the documents we need, and has the online quizzes set up so they are easy to access.
Dr. Tyson King-Meadows	Political Science	4	He posts up all current information on Blackboard. He always updates the grades and puts up announcements so we know what is due next in class.

Clayton Laurie	History	4	Post assignments and helpful hints to hw and projects. He sets up his Blackboard site in an easy-to-navigate manner, and promptly to the course discussion board.
Karin Readel	Geography & Environmental Studies	4	She uses many different parts of Blackboard and it helps keep most of the class organized.
Dr. Raji Baradwaj	Math/Statistics	3	She promptly posts supplements to lessons for Math 106, with pages of solutions for her students to check. The extra practice is the best preparation for upcoming tests and quizzes.
Dr. Taryn Bayles	Chemical Engineering	3	Dr. Bayles uses Blackboard very effectively. All lecture notes, quizzes and anything else needed for class are always posted promptly.
Dr. Zane Berge	Education	3	He stays on top of the game...fast responses, great feedback on projects, very organized course material...always involved in the class discussions
Dr. Aryya Gangopadhyay	Information Systems	3	I think the quizzes that he gives are very thought provoking. The ability to study and retake the quiz not only improves grades, it improves learning.
Dr. James Grubb	History	3	Dr. Grubb is very reliable in posting grades and overhead slides onto the blackboard site. I find myself frequently checking to see if my recent exam or paper grade has appeared.

Dr. Andrea Kalfoglou	Sociology	3	She uses the site well to send out announcements, upload quizzes and keep track of grades.
Nicole King	American Studies	3	She uses it regularly and really takes advantage of all of the different tools.
John Laur	Social Work	3	The instructions given on blackboard are sensible and uncomplicated. The supplemental materials are good. He posts grades in a timely manner.
Dr. Roy Rada	Information Systems	3	The announcement sections were always up to date. Excellent use of Bb functionality.
Dr. Dana Smith	Information Systems	3	We save a lot of paper/ink by submitting documents electronically.
Dr. Donald Snyder	Media & Communication Studies	3	He always updates grades and posts assignments.
Dr. Karen Sutton	Africana Studies	3	She keeps the grade center updated, she emails to keep students updated about what should be happening in class.
Dr. Constantin Vaporis	History	3	Dr. Vaporis uses Blackboard the most often by posting study aids, class out lines, and other course documents. He consistently uses the announcements to post updates in the schedule of the course and emails them as well.
