

ARTICULATION AGREEMENT

Community College of Baltimore County (CCBC)
Associate of Applied Science in Business Management

University of Maryland, Baltimore County (UMBC)
Bachelor of Arts in Management of Aging Services

This agreement is initiated this day, July 25, 2007, between Community College of Baltimore County, hereafter "CCBC" and the University of Maryland Baltimore County, a constituent institution of the University System of Maryland, and agency of the State of Maryland, hereafter "UMBC," to facilitate the transfer of students earning the Associate of Applied Science degree in Business Management at CCBC to UMBC in pursuit of the Bachelor of Arts degree in Management of Aging Services.

I. PURPOSE

The purpose of this Articulation Agreement (the "Agreement") is to establish a collaboration between UMBC and CCBC in an effort to facilitate the transfer and degree completion of students earning the A.A.S. in Business Management at CCBC to the B.A. in Management of Aging Services at UMBC.

This Agreement also serves as a Memorandum of Understanding between both institutions for the purpose of clarifying roles and responsibilities in this partnership.

II. GUIDING PRINCIPLES

In consideration of the mutual covenants and conditions expressed herein, the parties agree to the following:

A. General Requirements

1. All courses meeting general education requirements at CCBC will transfer and be applied towards the general education requirements at UMBC.
2. A maximum of 60 credits will transfer from CCBC a 2-year degree-granting institution.¹
3. Upon matriculation to UMBC, CCBC students must satisfy all general education, graduation and major requirements as outlined in the UMBC Undergraduate Catalog.
4. CCBC students must take a minimum of 30 credit hours at UMBC to earn a Bachelor degree. The final 30 credits must be earned at UMBC.
5. UMBC requires a total of 120 credit hours to attain a Bachelor degree.

B. Advising/Academic Planning

1. Students should work closely with their academic advisor at CCBC to develop an academic plan to ensure a seamless transition.
2. Students and advisors are encouraged to utilize a variety of advising resources including the UMBC Undergraduate Catalog, departmental websites, as well as ARTSYS (the USM online articulation database), to ascertain transferability of coursework.
3. Following admission to UMBC, students will receive an evaluation of prior college coursework via *MAP: My Academic Profile*, an online academic advising resource. The evaluation will include an Undergraduate Progress Report (UPR) and the Transfer Courses Report detailing prior coursework, transferability and applicability to UMBC general and university requirements.
4. Prior to matriculation to UMBC, all new students are required to attend the mandatory new student orientation program. During orientation, students will meet with an academic advisor to review prior coursework, discuss academic interests and goals, and develop an academic plan.
5. Upon matriculation, students will be assigned an advisor in their area of study. Students are strongly encouraged to meet with their advisor periodically. Students are required to meet with their advisor prior to registering for subsequent semesters.

C. Admissions

1. The UMBC Admissions Committee considers a number of factors including the applicant's strength of curriculum, overall performance in all college coursework and academic trend.
2. Applicants successfully completing the articulated program with a 2.0 or better grade point average who have not matriculated at any other institution of higher education will be guaranteed transfer admission to UMBC. Additional requirements may apply on selective admissions programs (e.g. Engineering, Visual & Performing Arts). A history of acts identified in the Federal Campus Security Act may disqualify a candidate for guaranteed admission.

D. Scholarships and Financial Aid

1. Students transferring from CCBC to UMBC that meet application deadlines, academic and financial qualification that apply to all students, may be eligible for consideration for the following scholarships offered by UMBC:
