

1st Chesapeake SIAM Student Chapter Conference

A conference in honor of SIAM President Douglas Arnold's visit

Douglas N. Arnold

McKnight Presidential
Professor of Mathematics
School of Mathematics,
University of Minnesota
President SIAM

Event Highlights:

- Distinguished speaker – Dr. Douglas Arnold
- Poster session featuring regional graduate and undergraduate research
- Panel discussion with Dr. Arnold and students

Conference Information:

- **Date:** April 27, 2010
- **Location:** UMBC Library, 7th floor
- **Registration required (FREE)**
- **Registration deadline:** **April 10, 2010**

WHO SHOULD ATTEND?

Anyone working in applied mathematics and related disciplines, at UMBC and neighboring universities. Graduate students, undergraduates, and faculty are all welcome.

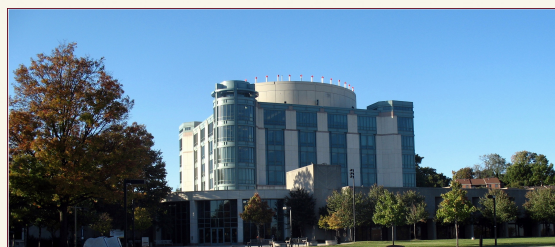

PURPOSE

To bring together students and faculty sharing a common interest in applied mathematics and related fields. Participants will have the opportunity to network, share their research interests, and exchange ideas.

ORGANIZERS

This event is organized by the **UMBC SIAM Student Chapter**.

Support for this event is provided by SIAM, UMBC Graduate Student Association (GSA), and the Department of Mathematics and Statistics at UMBC.
