

# Appendix VIII

To be licensed to teach in Maryland, all teacher candidates are required to pass the standardized tests that are specified by the Maryland State Department of Education. The success of the teacher candidates on these tests must be reported by each institution. The chart below provides this information and compares the UMBC pass rate to those of the entire state.

## Single-Assessment Institution Level Pass-Rate Data:

### Regular Teacher Preparation Program

#### HEA – Title II

#### 2006-2007 Academic Year

#### University of Maryland, Baltimore County (Institution Code 5835)

#### Maryland

#### Single-Assessment Institution Level Pass-Rate Data
