

The Commons/University Center Banner Procedures
University of Maryland Baltimore County

The hanging of banners is permitted in The Commons and outside the University Center (UC) and must be approved in advance by the Commonvision Office. Designated spaces for banners overlook Market Street in The Commons and overlook the outside Patio of the UC. Banners must be created in Commonvision; they may not be “homemade”. Banner locations are limited and must be reserved through Commonvision. Banners may be hung only by the Operations staff of The Commons. For information on alternative means of publicity as well as costs for banners and other advertising materials, please contact: Commonvision@umbc.edu
If you have any questions regarding these procedures, please contact The Commons Administration Offices at 410-455-3454.
