CURRENT CATALOG DESCRIPTION:

Intermediate instruction in the techniques of teaching woodwind instrument performance.

PROPOSED CATALOG DESCRIPTION: no changes change in description

Instruction in the methods of teaching basic and intermediate woodwind techniques. Open to music education majors.

RATIONALE FOR CHANGE:

MUSC 185 no longer indicates an intermediate course, but has been updated to designate the particular instruments being studied instead. Therefore, the word “Intermediate” should be eliminated and replaced with the particular instruments assigned to that course number (Flute and Oboe). The word “Class” should be replaced with “Methods” since it more accurately describes it as a requirement for Instrumental Music Education majors.
