### **Specifics (see instructions):**

#### **Proposed change:**

Change SOCY Minor requirement to “A maximum of three (3) credits in Anthropology may count toward a minor in Sociology.

#### **Current:**

The minor in sociology consists of SOCY 101 plus 15 credits in elective courses in sociology or anthropology (a total of 18 credits).

### **Rationale (see instructions):**

The SOCY minor currently has no restrictions on how many ANTH courses can count towards a minor, so students could conceivably receive a SOCY minor with SOCY 101 & 5 ANTH courses. The restriction also corresponds with the new ANTH restrictions on their minor.
