CENTER FOR WOMEN AND INFORMATION TECHNOLOGY SCHOLARS APPLICATION

The Center for Women and Information Technology (CWIT) Scholars Program, open to both women and men, is dedicated to achieving women's full participation in all aspects of information technology (IT), engineering and related fields. This participation will strengthen the nation's IT workforce, raise the standard of living for many women and help to assure that information technology addresses women's needs and expands the possibilities for their lives.

APPLICATION INSTRUCTIONS

1. Read all directions carefully. You will need to send your completed application packet by **January 15**.
2. Complete the CWIT Scholars Application.
3. If you have already applied to UMBC, please note this on your CWIT Scholars Application. If you have not applied to UMBC, please complete the UMBC Undergraduate Admission Application no later than **January 15**.
4. Submit two letters of recommendation. Recommendations should be from a science or technology teacher and one from someone familiar with your academic work and leadership qualities.
5. Your completed packet of materials should include:
 - CWIT Scholars Application Form
 - Two Letters of Recommendation
 - Official High School Transcript
 - Official Standardized Test Scores (SAT or ACT)
 - UMBC Undergraduate Admission ApplicationIf any of these items have already been sent to UMBC, you do not need to re-submit them.
6. Mail completed application to:

UMBC Office of Financial Aid and Scholarships
1000 Hilltop Circle
Baltimore, MD 21250

A committee of staff, faculty, advisory board members and current CWIT scholars will interview finalists. Award decisions will be announced no later than March 31.

The Center for Women and Information Technology (CWIT) Scholars Program, open to both women and men, is dedicated to achieving women's full participation in all aspects of information technology (IT), engineering and related fields. This participation will strengthen the nation's IT workforce, raise the standard of living for many women and help to assure that information technology addresses women's needs and expands the possibilities in their lives.

Center for Women and Information Technology (CWIT) Scholars Recommendation

Applicant's Name: _____

Please provide us a general evaluation of the applicant. How well do you know the student? What kind of commitment does this student have to information technology (IT), engineering or a related field? How well does this student interact with others? How effective would she or he be as a mentor for middle school girls? What special qualities would this student contribute to the CWIT Scholars Program?

Your Name: _____ Title: _____
