2016 WINTER SESSION
schedule of classes
In winter session, over 100 required and general education (GEP) courses are offered in a condensed three week term—including many hybrid and online courses.

- Earn up to 4.5 credits
- Boost your GPA
- Build your transcript
- Stay on track to graduate on time!

This preliminary schedule of classes offers an overview of courses, dates, and costs to help you plan for Winter Session 2016.

For complete details, visit umbc.edu/winter.
Whether you’re a current UMBC student, a visiting student from another institution, or an incoming new student starting full-time in the spring, UMBC’s winter session can help you catch up or get ahead.

Here are a few guidelines to help you GRIT going!

CURRENT UMBC STUDENTS
Registration for winter session begins October 26. Advising is highly recommended, but not required. Register online through myUMBC—just like the fall and spring semesters.

VISITING STUDENTS
Make good use of your winter break. Earn credits at UMBC that transfer back to your home institution. Apply for winter session admission online by December 21 and register for courses once you’ve been admitted.

NEW UMBC STUDENTS
New full- or part-time students already admitted to UMBC for spring 2016 do not need to apply for winter session. Advising is highly recommended, but not required. To register, contact the Office of Undergraduate Admissions. Request a change in your starting term from spring to winter 2016.

QUESTIONS?
Visit umbc.edu/winter for more information and resources. If you have questions, click on “Contact Us” for assistance.

#### Inclement Weather Policy

If classes are cancelled due to a university closing, the official make-up day is the first Saturday following the cancelled class. Instructors may also choose to reschedule classes on an alternate make-up day.

#### Holiday Make-Up Schedule

UMBC is closed on Monday, January 18 for the Martin Luther King, Jr. Holiday. Classes meeting on Mondays may be rescheduled by the instructor to make up missed class time on January 18.
WHEN TO REGISTER
Registration begins on Monday, October 26, 2015 and continues through January 7, 2016. Advising is not required, but highly recommended. Since winter courses often fill, register early to avoid disappointment.

HOW TO REGISTER

CURRENT UMBC STUDENTS
If you are enrolled in the fall, you are already eligible to register in winter session. Search the schedule and register online using your smartphone or tablet.

INCOMING NEW UMBC STUDENTS
Get a jump start on your course requirements. Contact the Office of Undergraduate Admissions to request a change in your starting term from spring to winter 2016.

VISITING STUDENTS
Apply for winter admission by December 21, 2015. You must be in good academic standing at your home institution and provide a current transcript to enroll in UMBC courses with prerequisite requirements. Confirm with your home institution that credits are transferable before you enroll. Visit umbc.edu/winter for details on how to apply and enroll as a visiting student.

DID YOU KNOW?
The winter session website is mobile friendly. You can easily search the schedule and register for classes on your smartphone or tablet. Visit umbc.edu/winter on a mobile device to access an easy-to-use mobile schedule of courses.
SCHEDULE CHANGES

The Schedule Adjustment Period (January 4–7) provides four days at the start of winter session to add, drop, or swap winter courses.

ADDING COURSES
Registration remains open through January 7, but if the class has already met, check with the instructor first—you might have already missed too much class time to catch up, and the instructor may deny you permission to enroll. Classes added during the Schedule Adjustment Period incur a $20 late registration fee.

DROPPING COURSES
There is no academic penalty for courses dropped during the four day Schedule Adjustment Period. If a course is dropped after the Schedule Adjustment Period, it is considered an attempt, and your transcript will record a “W” for the dropped course.

There is no financial penalty for courses dropped through January 4, 2016. After January 4, tuition and fee refunds are pro-rated based on the date the course is dropped.

SWAPPING COURSES
During the Schedule Adjustment Period you can “swap” a course for another course (with the same number of credits) without academic or financial penalty. If the class you want to add has already met, check with the instructor first—you might have already missed too much class time to catch up, and the instructor may deny you permission to enroll.

CLOSED COURSES & WAITLISTS
If a course is full, use myUMBC to place your name on the waitlist. If a seat opens in a closed course, eligible students are automatically enrolled according to their position on the waitlist. After January 1, 2016 waitlists are disabled, and students are no longer enrolled automatically. Contact the Office of Summer & Winter Programs or the instructor to check seat availability.
COURSE LOAD LIMIT
You can register for up to 4.5 credits in winter session. Highly motivated students and academically strong students may be granted permission to enroll in more than 4.5 credits (advanced approval is required). Download an excess credit request form at umbc.edu/winter.

REPEAT COURSES
You may not register for the same course more than two times. If there are special circumstances that require you to register for a course more than twice, you must first petition the Office of Undergraduate Education (OUE) to request a third and final attempt of a course taken at UMBC or another institution.
## TUITION & FEES

### Undergraduate Tuition (per credit hour)

<table>
<thead>
<tr>
<th>Resident Type</th>
<th>Tuition</th>
</tr>
</thead>
<tbody>
<tr>
<td>MD resident</td>

</tr>
</tbody>
</table>

*A non-refundable late registration fee is assessed when students register on January 4 or later.*

Winter session tuition is based on academic career (undergraduate or graduate), UMBC’s standard credit hour tuition rates, and Maryland residency.

Some courses may have additional fees (such as lab or materials fees) which are noted in the online schedule of classes.

---

This information reflects the proposed tuition and fees at the time of publication. Notwithstanding any other provisions of this or any other University publication, the University reserves the right to make changes in tuition, fees and other charges at any time such changes are deemed necessary by the University and the University System of Maryland Board of Regents.

See [umbc.edu/winter](http://umbc.edu/winter) for updates.
The Office of Summer & Winter Programs offers a limited number of full and partial winter session scholarships to UMBC degree-seeking students with a high GPA who are close to graduating. Financial need (demonstrated by the 2015/2016 FAFSA form) is also considered.

**Full scholarships** cover tuition for ONE winter session course (up to 4 credits) based on UMBC’s in-state undergraduate or graduate tuition rate.

**Partial scholarships** cover HALF of the tuition for ONE winter session course (up to 4 credits) based on UMBC’s in-state undergraduate or graduate tuition rate.

Visit [umbc.edu/winter](http://umbc.edu/winter) to review the scholarship eligibility requirements and complete the online application form. The deadline to apply for a winter scholarship is Wednesday, November 25, 2015 at 5 p.m.

**FINANCIAL AID**

Winter financial aid may be available to Pell Grant eligible UMBC students who are making satisfactory academic progress (SAP). Visit [financialaid.umbc.edu](http://financialaid.umbc.edu) (under “Special Programs”) for information about summer/winter federal aid, or call the Office of Financial Aid and Scholarships at 410-455-2387.
BILLING & PAYMENT

HOW TO PAY YOUR BILL
Tuition bills are posted at the beginning of the month and paid online through myUMBC. Bills are not mailed.

WHEN TO PAY YOUR BILL
E-bills are posted to myUMBC on the first day of the month after you register. If the first day of the month falls on a weekend or holiday, E-bills are generated the next business day. Payment is due on the 20th day of the same month the E-bill is posted. Late fees are added to bills that are not paid by the 25th day of the month.

<table>

Hybrid courses (partially online/partially in-person) reduce the number of in-class meetings by replacing some in-person classes with online, out-of-class, or interactive learning activities. Hybrid courses require more independent learning on the part of the student than an in-person class.

Before winter session begins, be sure you have everything ready to GRIT going! Visit umbc.edu/winter to find all the information you need to get started in winter session.

myUMBC
myUMBC is a web-based portal to student services and online resources at UMBC. Use myUMBC to register for classes, view your account balance, pay your bill, request a parking permit, check university email and view your final grades.

BLACKBOARD
Blackboard is UMBC’s online course management system. When you register for classes, you are automatically enrolled in Blackboard. Log into Blackboard early to check for updates. Faculty often post course assignments and resources before the session begins.

e2CAMPUS (TEXT ALERTS)
Sign-up for e2Campus, an emergency alert text-messaging system that notifies subscribers of any campus-related emergency (such as a potential safety hazard or campus closure).
TEXTBOOKS
Winter textbooks are available in December through the UMBC Bookstore.

HOUSING
Potomac Hall, several floors in Harbor Hall, and the apartments (including Walker Avenue) are available to UMBC students who already have 9-month housing.

PARKING PERMITS
A valid UMBC permit is required to park on campus (cost is included in the winter session fee). Visiting students should order a parking permit by December 21 to receive it before January 4.
The University of Maryland, Baltimore County does not discriminate on the basis of race, color, national origin, ancestry, ethnic background, genetics, disability, age, sex, gender identity and expression, marital status, sexual orientation, religion, creed, and/or veteran status in admission to and participation in education programs and activities, or employment practices in accordance with federal laws, including, but not limited to Titles VI and VII of the Civil Right Act, Title IX of the Education Amendments, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act as amended, as well as state laws, and regulations. For inquires regarding the UMBC non-discrimination policy, call: Human Resources at 410-455-1853.
