2015-2016 Academic Year Housing License
Residential Life Office • University of Maryland, Baltimore County

By this Housing License (“License”) made by and between the University of Maryland, Baltimore County ("UMBC" or "University") and Eligible Student Applicant as defined in Section 2 below ("Resident") (and parent or guardian if student is under 18 years of age), the parties hereby agree as follows:

1. GENERAL CONDITIONS.
   A. Resident is defined within Section 2. Eligibility and is subject to the terms and conditions noted within this License as well as all current rules, regulations, procedures and responsibilities stipulated within the UMBC undergraduate and graduate catalogs, student handbook, Code of Student Conduct, Residential Life ("RL") newsletters or announcements, and other relevant University documents as identified by RL. The Residential Facilities ("Facilities"), which are defined as the traditional residence halls and UMBC-assigned on-campus apartments, are provided as a service to students and are unique to the University community. This is a license for the provision of housing services. Therefore, this License and the residential and other services provided do not create a landlord/tenant relationship.
   B. This License is personal to the Resident and is not transferable by the Resident.
   C. RL may make changes to the License by giving the Resident a minimum of seven (7) written notice before changes become effective with the exception of those changes that will have an impact on the health and/or safety of persons living in the Facilities. Implementation of health and/or safety changes will be immediate.
   D. Failure to comply with the terms of this License will result in UMBC disciplinary action and/or termination of the License at the discretion of the Director of Residential Life or designee.
   E. If an original form is not used, the University provides room and board accommodations without regard to race, color, national origin, ancestry, ethnic background, genetics, physical or mental disability, age, sex, gender identity and expression, marital status, maternity, sexual orientation, religion, creed, and/or veteran status in admission to and participation in education programs and activities, or employment practices in accordance with federal laws, including but not limited to Titles VI and VII of the Civil Rights Act, Title IX of the Education Amendments, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act as amended, as well as state laws, and regulations http://umbc.edu/geo/nondiscrimination.html.

2. ELIGIBILITY.
   A. To be eligible for residence, Resident must be admitted and enrolled as a full-time, non-transfer student for undergraduate, graduate, or special student at the University, except as may be permitted by Residential Life ("RL") or designee. Resident shall be deemed in breach of this License if he or she drops below the full-time course load during the License term, however such a breach does not release Resident from the financial responsibility for this License.
   B. Resident must fulfill mandatory immunization requirements, as outlined by University Health Services (UHS), to live in the Facilities. (See Section 13).
   C. To be eligible to live in an apartment or Harbor Hall, Resident must have completed at least ten (10) credits lived on campus for two prior semesters or be an approved participant in a living learning program.
   D. Residents enrolled in the University of Maryland at Baltimore’s Nursing Program may be housed at the discretion of the Director, Residential Life.

3. TERM. The Term of this License is for the entire 2015-2016 Academic Year ("AY") as defined beginning with the start of the Fall 2015 Semester, or upon Occupancy whichever occurs first, through the end of the Spring 2016 Semester. (See Break Periods Section 18)

4. OCCUPANCY. Occupancy means that a key and/or swipe card access has been issued to a specific Resident for a specified room and the Resident may then occupy the designated space for the Term. Occupancy begins upon issuance of a key and/or swipe card access to a specific Resident (with twenty four (24) hours notice), or at 8:00 PM on the last day of the Term whichever is earlier. Written authorization from RL is required for any other occupancy arrangements. Occupancy status does not require the physical presence of the Resident or his/her belongings.

5. CHECKOUT. If Resident has occupied the assigned room, Resident must follow proper checkout procedures to avoid additional checkout and/or lock change fees.

6. FAILURE TO OCCUPY. Unless prior arrangements have been made with RL in writing for late arrival, failure to return to take Occupancy by midnight on the second day following the official move-in date for each semester will result in voiding of the license and Resident will forfeit the housing deposit and be charged cancellation fee of $400.

7. ASSIGNMENT OF SPACE. This is not a lease agreement. This License for any RL assigned space in a residence hall or apartment and not for a specific room or bed. Resident is required to pay the published or officially announced rate for the space, double, triple, or apartment space that is assigned. Written approval from RL room changes may be made two weeks following the last day of check-in. The University reserves the right to make changes in assignments. If Resident moves to another apartment or room prior to the second day of the approval of the room change and is expected to move to a different room or apartment for reasons including, but not limited to: 1) assuring the most effective use of the Facilities (including consolidation and allocation of ADA spaces); 2) when RL deems it advisable for the welfare and benefit of Resident and/or other students; or 3) when a Resident is required to correct a condition dangerous to the health and/or safety of the Resident or other residents of the Facility.

8. TEMPORARY HOUSING. If Resident cannot immediately be assigned to a permanent assignment, a temporary assignment may be offered within the Facilities. If Resident accepts a temporary assignment, Resident must accept and move to a permanent assignment provided by RL when the space becomes available. If Resident does not move to the permanent assignment within 48 hours of notice of reassignment to permanent space, RL reserves the right to block access to the temporary space and/or have Resident’s belongings to clear the temporary space. Refusal to accept or move to a permanent assignment will not terminate this License and the Resident remains financially responsible for the space. If Resident refuses a temporary assignment, Resident may commute to campus until a permanent assignment becomes available. A Resident who refuses a temporary assignment may also have his/her License cancelled at RL’s discretion, forfeiting the Resident’s housing deposit.

9. HOUSING DEPOSIT. Resident must submit a $200 housing deposit as an indication of Resident’s commitment to live on campus. The housing deposit serves as a fund against costs incurred by the Resident. The Housing Deposit is forfeited and nonrefundable if this License is canceled for any reason prior to the start of the Term of the License. The Resident has the option to “roll-over” the deposit for future on-campus housing or request a “credit back” if resident renounces the term of the License in its entirety and does not wish to continue living on campus. At the end of the Term, the housing deposit will be credited back to the Resident’s account if no or partial payment of Resident’s unpaid housing costs, fees and charges. The Housing Deposit will be held in a non-interest bearing account and, as a result, interest will not accrue.

10. RATES AND PAYMENTS. Housing, board plan, and technology fee rates are approved by the USM Board of Regents (“BOR”) on or before June 1 of each year; therefore, actual rates to be charged are available on or about June 1 of each year. The bill is due in full upon Resident receiving the Resident’s account with the University. Payment of the housing deposit (see Section 9 above) and balance due must be in accordance with deadlines established by RL and the Student Business Services Office. The housing rate for a temporary room assignment will be equal to the rate for a triple room in the assigned building. Rates and payments are subject to change. During the Term of this License, the University, by action of the BOR, reserves the right to alter any rates for housing or food services by giving at least thirty (30) days written notice to Resident. Written notice may be given by U.S. Postal service, email, or electronic announcement via approved University mechanism such as the MyUMBC web site.
