

## The Achievements and Problems of the Federal Theatre Project

Directions: Working with your group, examine the set of documents relating to the Federal Theatre Project. In the chart below you will record your findings. In the left column list the achievements or ways in which the Federal Theatre was good for America. In the right column list the problems with the Federal Theatre which may have led to its downfall. Include the letter of the document in which you found the information for each achievement and problem that you list.
