

Educational materials were developed through the Making Master Teachers in Howard County Program, a partnership between Howard County Public School System and the Center for History Education at the University of Maryland, Baltimore County.

## Resource Sheet #11

**Source:** *History Matters* website, George Mason University:  
[historymatters.gmu.edu/images/monticello.gif](http://historymatters.gmu.edu/images/monticello.gif)

**Note:** This drawing of a slave cabin on Mulberry Row has been recreated by archaeologists at the Monticello Site.

### Document Analysis:

1. How would you describe the materials that were excavated from the archaeological site?
2. Estimate the size of the cabin, based on the data that is provided.
3. Rocks and stones seem to be common materials used in slave cabins. Why might that be so?
4. Does this drawing provide any insight as to Jefferson's feelings about slavery? Explain your answer.
