Ours is a special community—committed to nurturing people, ideas, and the values that support excellence and service. It is a community that cherishes a common past and looks forward to an exciting future. The poet Langston Hughes tells us to ‘Hold fast to dreams.’ Remember that your dreams and, most important, your character will determine who you become.

— Freeman A. Hrabowski, III
President of UMBC
Dr. Freeman A. Hrabowski, President of UMBC (University of Maryland, Baltimore County) since 1992, is a consultant on science and math education to national agencies, universities, and school systems. He was named by President Obama to chair the President’s Advisory Commission on Educational Excellence for African Americans. He also chaired the National Academies’ committee that produced the report, Expanding Underrepresented Minority Participation: America’s Science and Technology Talent at the Crossroads (2011). His 2013 TED talk highlights the “Four Pillars of College Success in Science.”

Named one of the 100 Most Influential People in the World by TIME (2012) and one of America’s Best Leaders by U.S. News & World Report (2008), he also received TIAA-CREF’s Theodore M. Hesburgh Award for Leadership Excellence (2011), the Carnegie Corporation’s Academic Leadership Award (2011), and the Heinz Award (2012) for contributions to improving the “Human Condition.” More recently, he received the American Council on Education’s Lifetime Achievement Award (2018), the University of California, Berkeley’s Clark Kerr Award (2019), and the UCSF Medal from the University of California San Francisco (2020).

UMBC has been recognized as a model for inclusive excellence by such publications as U.S. News, which for more than 10 years has recognized UMBC as a national leader in academic innovation and undergraduate teaching. Dr. Hrabowski’s most recent book, The Empowered University, written with two UMBC colleagues, examines how university communities support academic success by cultivating an empowering institutional culture.

A MESSAGE TO THE UMBC Class of 2021
FROM PRESIDENT HRABOWSKI

Dear Class of 2021,

This is a moment of celebration for you and your families. That you have completed the requirements for your degrees during this challenging time demonstrates your grit, determination, and tenacity. While it is unfortunate we cannot be together in person at the moment, I want you to know how proud we all are of you. The challenges you have withstood getting to this point only deepen the mark you will leave on this institution and our shared history. I challenge you to take time in the days and weeks ahead to reflect on the academic journey that brought you to this point, and on all the people who provided you with support and encouragement. You have reached an important milestone, and the dreams and values that have guided you will sustain you in the years ahead.

Congratulations, Class of 2021. You have inspired us, and you have helped us keep hope alive. Please stay in touch.

Sincerely,

Freeman A. Hrabowski, III
Dr. D’Souza received her Ph.D. and post-doctoral training in Biochemistry and Structural Biology in the lab of Dr. Michael F. Summers at the University of Maryland, Baltimore County. For her graduate thesis, she aimed to understand how retroviruses package their genomes. Dr. D’Souza has been a Professor in the Department of Molecular and Cellular Biology at Harvard University since 2006. Dr. D’Souza was a Damon Runyon Fellow and is currently a Howard Hughes Medical Institute faculty scholar. Her research group has a structural virology focus with an expertise in tackling large RNA structures by nuclear magnetic resonance. Her interests include understanding molecular mechanisms used in retroviral reverse transcription, non-canonical translation, mRNA trafficking and retroviral mRNA transcription. Dr. D’Souza has also been actively involved in graduate training and mentoring. She is the co-director of the Molecules, Cells and Organelles (MCO) graduate program at the Cambridge campus at Harvard and is also involved in graduate training in the Program in Virology at the Harvard Medical School. She is a strong advocate of promoting inclusive and supportive research training environments.
Unless otherwise noted, at the time of publication, the students listed below are doctoral candidates. If all graduation requirements are met, doctoral degrees will be conferred on May 20, 2021.

Christopher P. Austin served as director of the National Center for Advancing Translational Sciences at the National Institutes of Health since 2012. Prior to this role, he was NCATS’ scientific director, focusing on translating basic science discoveries into new treatments and technologies to improve the efficiency of therapeutic/diagnostic development. He founded several initiatives, including the NIH Chemical Genomics Center, the Therapeutics for Rare and Neglected Diseases program, and the Toxicology in the 21st Century program. Before joining NIH in 2002, he led genomic-based target discovery, pharmacogenomic, and neuropsychiatric drug-development programs at Merck. From 2016 to 2018, he served as chair of the International Rare Disease Research Consortium (IRDiRC). Dr. Austin is also a member of National Academy of Medicine. He earned an A.B. from Princeton University, an M.D. from Harvard Medical School, and completed training in internal medicine and neurology at Massachusetts General Hospital.

In 2012, Sarah Rosen Wartell became the third president of the Urban Institute since it was founded in 1968. Urban is an economic and social science research and policy organization whose 500+ researchers, experts, and other staff share a belief in the power of evidence to improve lives and strengthen communities. During her tenure, Urban has articulated its strategy to “elevate the debate” by: bringing more of its insights from research to federal, state, and local government and practice; becoming a leader in research communications and data visualization; and undertaking an ambitious program of business systems and technology modernization. Previously, Wartell was deputy assistant to the president for economic policy and deputy director of the National Economic Council. At the U.S. Department of Housing and Urban Development from 1993 to 1998, she advised the federal housing commissioner on housing finance, mortgage markets, and consumer protection. Later, she was a consultant to the bipartisan Millennial Housing Commission.

After government service, Wartell was the founding chief operating officer and then executive vice president of the Center for American Progress. Her work focused on the economy and housing markets. She had previously practiced law with the Washington, D.C., firm of Arnold & Porter.

Wartell serves on the board of Enterprise Community Partners, Bank of America’s National Community Advisory Council, and The Sadie Collective’s Advisory Board. Wartell has an A.B. with honors in urban affairs from the Princeton School of Public and International Affairs. She has a J.D. from Yale Law School.

COMMENCEMENT INFORMATION

Honors
HONORS
Honors are based upon coursework taken over the duration of a student’s entire undergraduate academic career at UMBC. To be eligible for Honors, students must have earned at least 60 graded credits at UMBC (excluding Pass/Fail and Audit grades) with a GPA requirement as follows:

<table>
<thead>
<tr>
<th>Summa cum laude</th>
<th>Magna cum laude</th>
<th>Cum laude</th>
</tr>
</thead>
<tbody>
<tr>
<td>With highest honor</td>
<td>With high honor</td>
<td>With honor</td>
</tr>
<tr>
<td>3.95 - 4.0 GPA</td>
<td>3.75 - 3.9499 GPA</td>
<td>3.5 - 3.7499</td>
</tr>
</tbody>
</table>

While students may be provisionally recognized with Honors at the time of the Commencement ceremony and in the Commencement program, official determination of Honors occurs after the Commencement ceremony, once final semester grades have been submitted and calculated. The diploma of the University and an official final transcript are the only documents that officially award Honors at the time the degree is conferred by the University.
COMMENCEMENT INFORMATION

Diplomas

GRADUATE STUDENTS
All graduate students who have completed degree requirements and been approved for graduation by the Graduate School will receive their graduate diploma in the mail. Students can expect to receive their diploma at the mailing address given on their supplemental application for graduation. The conferral date for graduate diplomas will be May 20, 2021. Diplomas will be mailed to graduates in early summer 2021.

UNDERGRADUATES
Undergraduate diplomas are not distributed at the ceremony. Instead, diplomas will be mailed to the student’s mailing address after degrees are awarded. Undergraduates who anticipate a change of address should verify/update their permanent address by logging into their myUMBC account and under “Profile,” verify/update their address. For questions, undergraduates should contact the Registrar’s Office at graduation@umbc.edu.

Names in Program
This program lists the names of degree candidates who have applied for graduation and have met all eligibility requirements. A degree candidate who did not submit their application for graduation prior to the posted deadline may not be listed in this program. The University reserves the right to add or withdraw names from this program prior to printing. The list of degree candidates appearing in this program does not signify that a degree has been, or will be, conferred. Official graduation determination generally occurs once final semester grades have been submitted and calculated. The diploma of the University and an official transcript are the only documents providing authentic testimony to the conferring of a degree.

Welcome

Congratulations on your graduation and welcome to the UMBC Alumni Association! You are starting this new chapter at an unprecedented and unique time in history, and while there is no doubt that you are ready to do your part in addressing the world’s challenges, your fellow alumni are here to support you. You can be confident that your UMBC experience has prepared you for whatever path you choose to lead. I encourage you to stay connected by joining one of the several Alumni Association chapters or affinity groups and to take advantage of the services available to you as a member of the Alumni Association by contacting alum@umbc.edu.

Brian Frazee ’11 M.P.P. ’12
President, Board of Directors
UMBC Alumni Association

Alumni Association Program and Services

Founded in 1970, the UMBC Alumni Association is the official representative body for more than 83,000 alumni. All graduates are automatically members for life and there is no membership fee. The goal of the association is to serve the interests of alumni through educational, charitable, social, or cultural programs and involve alumni in the advancement and support of UMBC.

The association is governed by a Board of Directors who work with staff in the Office of Alumni Engagement to keep alumni connected and engaged with one another, current students, faculty and staff, and the university.

ALUMNI WEBSITE
Our alumni website will keep you up to date on events, perks and services, alumni achievements, and news. You can learn about ways to get involved and update your contact information at alumni.umbc.edu.

ANNUAL EVENTS
The Alumni Association offers something for just about everyone, including social, family, cultural, and professional events. Some of our annual and traditional programs include the Alumni Awards, Homecoming, baseball game outings, networking events, and more. We also regularly promote opportunities to participate in departmental and campus events.

THE RETRIEVER ROUNDUPThis monthly e-newsletter is published 10 times per year and will keep you informed about the latest alumni news and events, as well as what’s new at UMBC.

UMBC MAGAZINE
As a UMBC grad, you’ll soon be receiving this award-winning alumni publication. (See magazine.umbc.edu for the online version.)

ALUMNI DISCOUNTS AND OTHER PERKS
Alumni are eligible for special discounts on a variety of services, including auto, home, and renters insurance (Liberty Mutual); life and short-term medical insurance (Meyer and Associates); and more. Check out the full list on the website.

Getting Involved

There are many ways for graduates to get involved with UMBC, including: attending events, making a donation, hiring students, sharing UMBC news and stories, volunteering in career events, joining one of our alumni groups, or numerous other activities. Learn more at alumni.umbc.edu/getinvolved.

CHAPTER OF YOUNG ALUMNI (CYA)
Over 30,000 of UMBC’s 83,000+ alumni are graduates from the last 10 years. CYA puts on social and educational programs throughout the year to help promote education, networking, and fun. Learn more at alumni.umbc.edu/cya and like us on Facebook.

More information about alumni groups including the Alumni Association Board of Directors, Chapter of Black and Latino Alumni, the Down and Dirty Dawg Band Alumni Chapter, and others can be found on the alumni website.

VOLUNTEER OPPORTUNITIES
The Office of Alumni Engagement promotes multiple volunteer opportunities throughout the year with time commitments from 1-2 hours to regularly scheduled meetings. Volunteering offers the chance to remain engaged with UMBC, to strengthen your personal and professional networks, to gain additional skills, and to connect with fellow Retriever graduates, UMBC faculty, staff, and current or prospective students. To learn about volunteer opportunities, visit alumni.umbc.edu/volunteer.

Campus Services

Alumni may continue to utilize a number of campus services after they’ve graduated including the Albin O. Kuhn Library and Gallery, Athletic resources, and the Career Center. Learn about these and more on the alumni website alumni.umbc.edu/discounts.

Show Your UMBC Pride

SUPPORT UMBC
A gift to the UMBC Annual Fund is an investment in UMBC’s future—and in the value of your own degree. For more information about how annual fund gifts are used, or to make a gift online, visit giving.umbc.edu.

UMBC LICENSE PLATE
Available to Maryland Residents only. Email alum@umbc.edu for an application.

CONGRATS, GRADUATES!

UMBC
Our UMBC

Hail alma mater! OUR UMBC,

Boldly bearing your colors, the whole world to see,
Striving together in true unity,
Black, gold forever we’re reminded of thee,

Proudly we hail to thee, OUR UMBC!

Throughout the ages, OUR UMBC,
Songs and memories still echo with true clarity,
Knowledge and wisdom and truth we found here,
Friendships we treasure that will last through the years,

Proudly we hail to thee, OUR UMBC!
